- Film
- Music*
- Theatre*
- Visual Art*

Successful students choose their subjects wisely.

IB recommends that students write on a subject in which they have had an IB class, so that students will be familiar with the terms, concepts and the criteria.

Unfamiliar subjects require students to do extra research to understand terms, concepts and criteria expected within the paper and use them in their EE.

We recommend the starred items, though you may select any subject that interests you.
